

What safety measurements will be, are, or have been set in place to combat the Novel Coronavirus (COVID-19)? Is testing required for Tournament Ambassadors?

The Wells Fargo Championship has taken extensive care in understanding ways to mitigate the risk of contracting COVID-19. The health and well-being of everyone involved is of the utmost importance to us. Our event will be executed in a safe manner while collaborating with the PGA TOUR and following local and state guidelines.

For more information on our actions, please click [here](#) to read our Notice.

Why should I volunteer at the Wells Fargo Championship?

Our Ambassadors play a massive role in ensuring that every facet of our Tournament Operations run smoothly. Volunteering at the Wells Fargo Championship will give you access to a behind-the-scenes experience at a premiere PGA TOUR event. You will be given the opportunity to make memories, work with others, and gain professional experience.

How do I become an Ambassador?

On our website, there is a portal to our Registration System. You can also complete the registration by clicking [here](#).

Is there an age requirement to volunteer?

The Wells Fargo Championship requires Ambassadors to be sixteen (16) years old at the time of the tournament. Shotlink and Walking Scorers must be eighteen (18) years old.

What is the Ambassador Uniform?

As part of the Ambassador Uniform Package, you will be receiving a Wells Fargo Championship Callaway Dri-Fit golf shirt. Each shift you work, this golf shirt is to be worn with your credentials badge, khaki bottoms (skort, shorts, capris, or pants), and comfortable shoes (closed toe, preferably). You may also elect to wear your Wells Fargo Championship headwear (hat, visor, or straw hat).

When and where do I pick up my Uniform and Credentials?

Pick up will be May 1st and 2nd, further information on location and times will be sent out closer to May.

What if I am from out-of-state and cannot pick up my Uniform and Credentials until later in the week (not at the designated pick-up)? Can I pick them up at my first shift?

Yes, this is not a problem. While we highly encourage everyone to pick up their Uniform and Credentials during one of the designated pick-up times, we will have an on-site Ambassador Uniform and Credentials pick-up location. This will be stationed at the front entry gate near Ambassador Alley.

Please keep in mind that if you are picking up from the on-site location prior to your assigned shift, you will need to keep your change of clothes in your Ambassador Backpack. There will be nowhere to store your belongings.

How long can I expect the shifts to be?

Ambassador shifts do vary in length depending upon your assigned Committee. Shifts can range anywhere from four (4) to twelve (12) hours. For specific information about a given Committee, please feel free to [email](#) or ask your Committee Chair.

Where do I park for my shift? Is there Handicap Parking available?

Yes, Handicap Parking will be available. Additional information will be shared as the tournament gets closer.

What training can I expect to receive for my role?

Ambassador Training will vary depending upon your assigned Committee. This information will be actively sent out and communicated by your Committee Chair.

What do I do with my belongings during my Volunteer Shift? What should I bring with me?

There will not be designated areas for volunteers to leave their belongings during shifts. We recommend you use your Ambassador Backpack and/or keep only what is needed on your person. We recommend bringing sunscreen, WFC headwear, and rain gear (weather-dependent). Cell phones are allowed on tournament grounds, but must stay in silent mode.

Are there designated Hotel and Discounted Rates for Tournament Ambassadors?

Yes. Please click [here](#) to see our offerings.

Are meals provided? Is there a designated place I can go to enjoy my lunch/break or grab water?

Yes. There will be a selection of grab-and-go snacks and water at Ambassador Alley. Ambassadors will also receive Food and Water Vouchers that can be used at specific food venues on the course which include an entrée, snack, and beverage allowance.

Please note that these vouchers are only allowed to be used by Tournament Ambassadors, while in uniform, and during their scheduled shift.

I volunteered last year; do I need to register again for this year?

Yes, even if you volunteered last year you will need to register for the upcoming year. You can find the registration link [here](#).

Why is there a Registration Fee to volunteer?

Tournaments under the PGA TOUR are not-for-profit organizations run with the intention to donate net proceeds from the event to local charities in the community. Having a Registration Fee allows the tournament to off-set volunteer expenses, thus allowing our charities to benefit in a greater capacity.

Is there any additional information I should keep in mind regarding my time at the Wells Fargo Championship?

The PGA TOUR takes pride in preventing betting-related corruption at their events. For additional information on the subject, please read about the [PGA TOUR Integrity Program](#).

Are there any additional benefits or programs I should be aware of as an Ambassador at the Wells Fargo Championship?

Yes. This year we are launching our first ever Referral Contest! We are looking for people that are dedicated, passionate, and eager about joining our Ambassador team! See below for competition details.

How to Participate:

- Share your excitement of being a WFC Ambassador with your friends and family and direct them to the [website](#) to register.
- Any individual that completes registration for the 2021 WFC Tournament and responds with your name in the referral question field will be considered an entry for you in the contest!
